📍 Mississauga, Canada

Profile

Highly motivated and results-oriented Computer Engineering graduate with a strong foundation in object-oriented programming and relational databases. Eager to apply my technical skills and passion for problem-solving to contribute to innovative supply chain solutions. Proven experience with Java, SQL, and various development tools. Seeking an internship opportunity to learn from experienced professionals and grow within a collaborative, digital-first work environment.

Professional Experience

Jr. Computer Engineerat, Electroweb Solution

02/2022 – 04/2023 | Gandhinagar, India

- Managed security systems to optimize configurations and enhance security postures.
- Conducted vulnerability assessments and penetration testing to identify and mitigate network vulnerabilities.
- Utilized log analysis and forensic investigation techniques to ensure compliance with security policies and regulations.
- Assisted the development manager with all aspects of software design and coding, and conducted development tests and bug fixes.

Frontend Trainee, Electroweb Solution

12/2021 – 02/2022 | Gandhinagar, India

- Java script, ReactJS, Mean Stack Development and Databases

Skills

Programming Languages & Frameworks —

Java(Advanced) | Node.js (Advanced) | React (Advanced) |

TypeScript (Advance) | MongoDB (Intermediate) | SQL

(Advanced) | Android(Intermediate) | Swift(Intermediate)

- **Cloud** — AWS (Intermediate) • **Cybersecurity** — Vulnerability Assessment (Penetration Testing) | Log Analysis & Incident Response | Security Policy & Compliance | Endpoint Forensics (Intermediate) | Malware Analysis (Basic) • **Game Development** — Unreal Engine (Intermediate)

Education

Diploma of Engineering (Computer Eng.),

VPMP Polytechnic

05/2016 – 05/2019 | Gandhinagar, India

- Computer Organization and Architecture, Operating systems and Security, Computer Maintenance and Trouble Shooting, Microprocessor Architecture and Assembly Language Programming, Network Management and Administrative, Dynamic Web Page Development.

Bachelor of Engineering (Computer Eng.), LDRP – IT

11/2019 – 04/2022 | Gandhinagar, India

- Data Structures & Algorithms, Theory of Computation, Design & Analysis of Algorithms, Cryptography and Network Security, Machine Learning and Artificial Intelligence, Soft Computing, Compiler Designer, High Performance Computing, Distributed System, Next Generation Networks, Web Data Management

Mobile Application Development (MDEV),

Georgian College

05/2023 – 12/2023 | Barrie, Canada

- Application Design and Interfaces, Mobile Data Management, Entrepreneurship for Mobile Development, iOS and Android Development, Mobile App Portfolio, Cross-platform Development, Mobile Game Design, Mobile APIs and Frameworks, Mobile Web Applications

Cybersecurity (CYBE), Georgian College

01/2024 – present | Barrie, Canada

- Security Management, Network Security, Windows Systems Security, Linux Systems Security, Applied Cryptography, Cloud Security, Contingency Planning and Disaster Recovery, Digital Forensics, Hacking Techniques and Exploits, Monitoring and Log Management, Application Security

Courses

Introduction to Operating Systems, NPTEL

Ahemdabad, India
